The Honorable  
The Secretary of the Department of  
Health, Education, and Welfare

Dear Mr. Secretary:

This relates to my letter to you of September 12, 1973.

Recognizing the ongoing Upward Mobility Project of the Department of Health, Education, and Welfare; and that a sharp termination of this program would not be in the best interest of HEW or Federal City College, and in view of the fact that the District of Columbia is proposing legislation to obtain the necessary authority, we would not object to the continuation of contractual relations between the Department of Health, Education, and Welfare and the District of Columbia Federal City College to provide such educational services pending an opportunity for legislative resolution.

I am forwarding a copy of this letter to Mayor Walter E. Washington.

Sincerely yours,

(Signed) THOMAS B. STANTS

Comptroller General  
of the United States
